EXTERNAL ASA REGISTRATIONS

We will have a registration fair at DAA on January 7th from 7.30am - 9am.

Please call academies to ask any questions and register programs with school directly.

You can contact academies directly using the information in this newsletter.

For general enquiries about ESM, please contact: Adrian John Aj@ESM.AE or visit www.esmacademies.ae or Jessica Aranha jessica.aranha@deltalearning.ae for DELTA activities or visit www.deltalearning.ae

To sign up and pay for DELTA ACTIVITIES ONLINE:

[Click Here for DELTA activities](#)
(LIVE FROM 4TH JANUARY 2020)

All ASAs begin the week of January 12th and run for 12, 11 or 10 weeks dependant on the day.

All prices will be subject to VAT from January 2018. Please contact academies directly for confirmation.

WHO WE ARE

ESM are an international sports management company governing all sports provision in schools and ensuring delivery of programs are at a level of quality expected from the developed international norms.

Through a combination of internally delivered sports and activities and externally governed providers, ESM sit as a premium sports coaching service which meets high standards expected from international and Emirati parents.

At **DELTA** Learning, we provide all our students the opportunities to discover and develop their strengths, and the world-class instruction to help them become the best version of themselves that they can be.

Our vision is to be the “children’s university”.

We deliver an exciting instructional programme which deepens academic learning but is imbued with real-world relevance and practical application. We aim to offer opportunity and excellence. Through this approach, we believe we offer the future of education.

BRAND NEW TO DAA....Our Rugby program based on fun. Precision ball handling techniques, development of our children's motor skills, adaptation to movement are all key while using the best practices for child psychology & children's learning standards. Each class has a dedicated curriculum to help your child develop their skill level and get them ready for games and tournaments outside of the session. Our sessions start at the young age of 3 & re currently running until under 11.

FCB ESCOLA
SOCCER SCHOOL
DUBAI

Stryx is the official licensing partner of FCB Barcelona Football club, managing the Barça soccer school in the UAE and training children according to the unique principles of FCB.

When it comes to proven results no other club has produced so many outstanding players in the last 20 years like the F.C. Barcelona. In fact the best proof happened in 2010 when Messi, Iniesta & Xavi were the three finalist of the Ballon d'Or trophy. Fabregas, Piqué, Puyol, Pedro, Valdés, Busquets, Alba, Thiago, Sergi Roberto, Bartra are other perfect examples. Why not join our After School Activity programme at DAA once a week to practice your skills and learn more about the game?

E: info@tennisthreesixty.com

www.tennisthreesixty.com

Launched in 2010, Tennis 360 is Dubai's premier tennis academy, owned and operated by world-class tennis professionals and responsible business minds.

Our internationally-qualified team delivers structured and progressive programs for juniors and adults of all abilities, complemented with tournaments and social events, to create **"FIRST THE ATHLETE, THEN THE PLAYER"**.

Kindy Smashers is designed specifically for little ones to promote motor skills involving agility and coordination through exercise and games, while learning basic tennis skills. Students hone skills such as throwing, catching, locomotion, push and pull, visualization and rotation, hand-eye coordination, balance, ball-striking and development of core stability.

Mini Smashers can regularly make contact in ball-striking, have basic coordination skills and have the ability to focus and throw at a target. This program teaches agility, hand-eye coordination, balance, flexibility, speed and reaction through games-based drills while being introduced to correct tennis techniques. Proven in conclusive studies, this is a key age to develop such skills.

BLENDED MATH & ENGLISH

METAMINDZ

Maloy Burman

maloy.burman@premiergenie.com

0553663900

METAMINDZ is offering Math and English programs using i-Ready, a program that uses advanced technology to diagnose students' knowledge gaps in previous learning and designs personalized learning paths for each child. Sessions follow the blended learning method where technology empowers teachers to offer differentiated instruction. Each session includes face-to-face interaction with the teachers, paper based activities, games and interactive online learning.

I-Ready also measures individual student progress allowing parents to observe the effectiveness of the program.

MetaMindz builds the following skills:

MATH

- Number and Operations
- Algebra and Algebraic Thinking
- Measurement and Data
- Geometry
- Mental Math

ENGLISH

- Phonics and Phonological awareness
- Spelling and Vocabulary
- Reading Comprehension (Literature and Informational texts)
- Writing

French is considered to be one of the most beautiful, poetic and inspiring languages of all. But there is so much more to it!

A few facts to get acquainted with, which might encourage you to take up learning French:

French is the official language of 32 countries, being second only to English with 45 countries.

French language has significantly influenced English. Some experts estimate that about 30% of English words were actually borrowed from French. French is also very similar to Spanish and Italian.

France is considered to be the most popular country among the tourists, which is not surprising at all, when one recalls the works of architecture, literature, art, music and theatre this country has given to the world.

Why learn French with us?

Our courses are taught by native speakers with vast professional experience. We develop your speaking, listening, reading and writing skills starting from the very beginning to make your language learning experience comprehensive and engaging. We focus on creating a comfortable and dynamic environment, which allows you to quickly enhance your ability to communicate in the studied language. Our courses correspond with the highest international standards.
